

COMPANY PROFILE

Nubri Capital is Bhutan's first fund management company offering investment options and planning services to individuals and institutions, across a broad range of asset categories through alternative as well as traditional investment strategies.

It is Licensed by the Royal Monetary Authority and incorporated under Companies Act of Bhutan, 2000, on November 4, 2012, Nubri Capital invests its clients' pooled fund into securities that match its declared financial objectives.

Like any asset management company Nubri Capital provides investors with more diversification and investment options.

OUR SERVICE

Nubri Capital can create investment strategies based on individual or collective investment approach. We offer customized portfolio management designed to meet specific investment objectives.

We offer the following services:

1. Fund & Asset Management
2. Investment
3. Issue of Unit Trust
4. Financial Advisory
5. Merger & Acquisition
6. Asset Reconstruction
7. Issues of Guarantees
8. Other ancillary activities with prior approval of regulatory bodies

Investments decisions, in safe and reliable institutions and organizations, are driven by performance stability and high return.

Nubri Capital has various schemes to help individuals and institutions make investment decisions. These schemes are designed to maximize returns and minimize risks associated with investments.

We also assist clients in managing their private fund and assets.

Committed to integrity and diligence Nubri Capital focuses on client's needs based on a deep understanding of the business, risk management and investment priorities.

INVESTOR CORNER

The first and most important step as an investor is to:

1. Define goals at the onset of investing activity.
2. Map the road ahead in terms of time, amount, type of asset and risk.
3. Decide how much you are willing to save.
4. Think carefully and try to include all requirements.

A simple way to get an overall perspective is to Invest! But Where???

We aim to provide the highest quality and service in asset and investment management..
